Skatepark update

The Charles River Conservancy has made significant progress toward its fund raising for the future Charles River Skatepark, which will be located on the riverbank under the ramps leading to the Leonard Zakim/Bunker Hill Bridge. Since the state legislature approved \$150,000 for the construction of the facility, the total amount raised is more than \$1.1 million. The total goal is \$2.1 million. Support the CRC's efforts to raise the rest of the funds by purchasing a special Charles River Skatepark sneaker. Ten dollars from every sale goes toward the park's construction. Get a pair at Underground Snowboard behind Ski Market at Commonwealth Avenue or online at Easter Boarder. www.charlesriverconservancy.org
